Strategic Plan

Vision: The healthcare quality profession is recognized and valued as essential.

Mission: To advance the Healthcare Quality Profession leading to positive health outcomes.

Strategic Goal Areas:

Certification/Recertification

The healthcare quality profession is strengthened by certification and recertification programs which are based on industry standards of certifying bodies.

Education

NAHQ is the primary source for healthcare quality education for the healthcare quality professional to advance the profession.

Essential Competencies

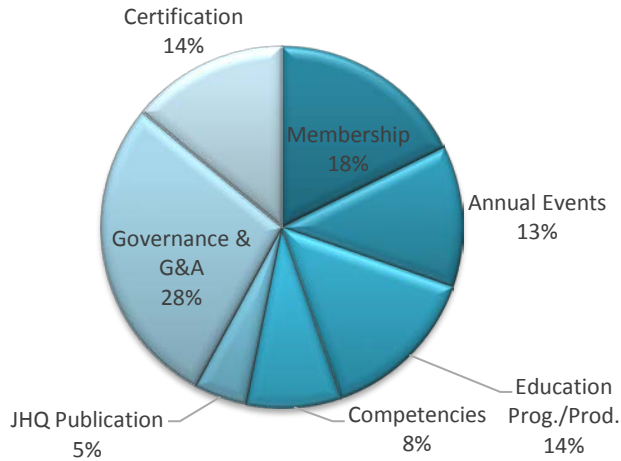

To define the body of knowledge and competencies for the healthcare quality profession.

Recognition of the profession

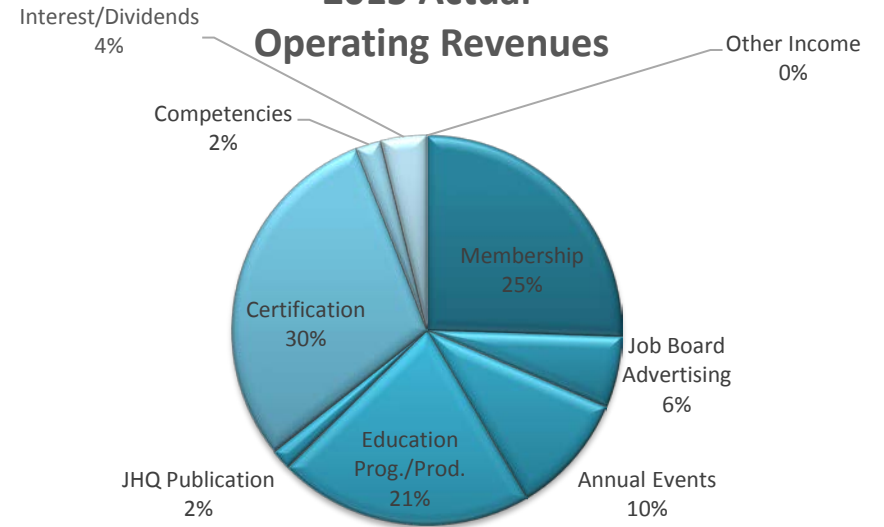

Individuals working in healthcare quality identify themselves as a member of the profession and employers recognize the profession.
