# Strategic Plan

**Vision:** The healthcare quality profession is recognized and valued as essential.

**Mission:** To advance the Healthcare Quality Profession leading to positive health outcomes.

## **Strategic Goal Areas:**

### *Certification/Recertification*

The healthcare quality profession is strengthened by certification and recertification programs which are based on industry standards of certifying bodies.

### *Education*

NAHQ is the primary source for healthcare quality education for the healthcare quality professional to advance the profession.

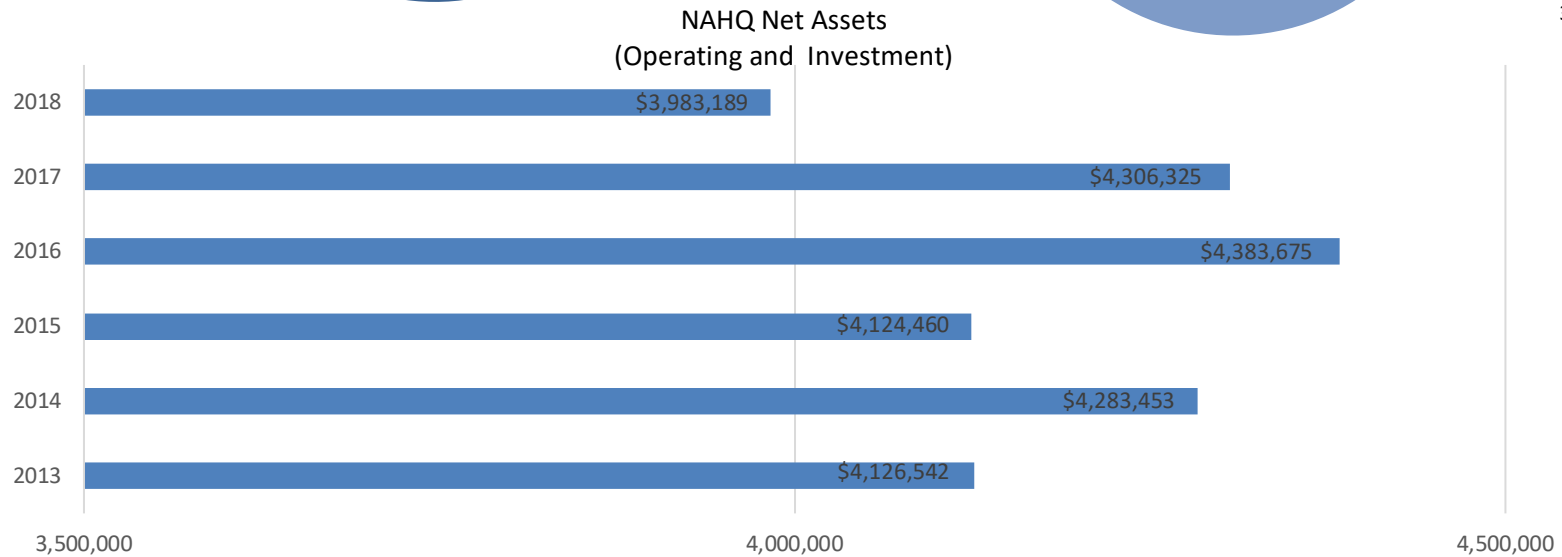

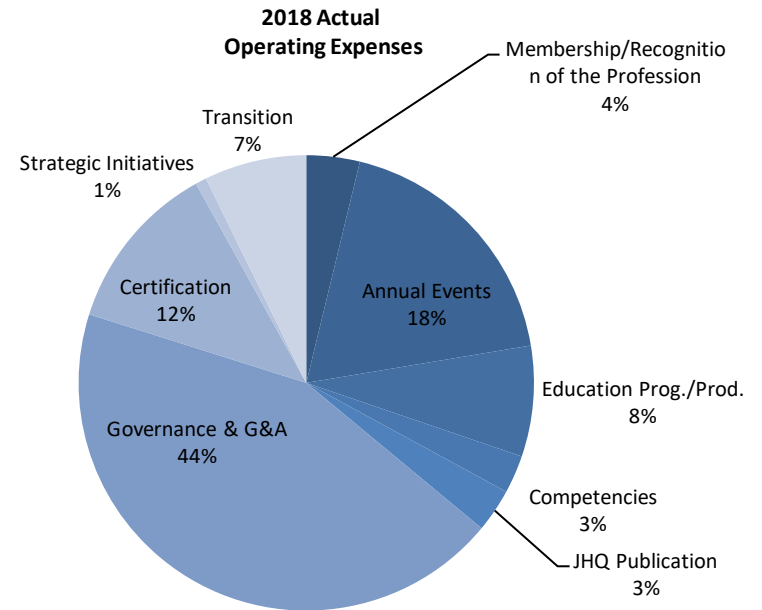

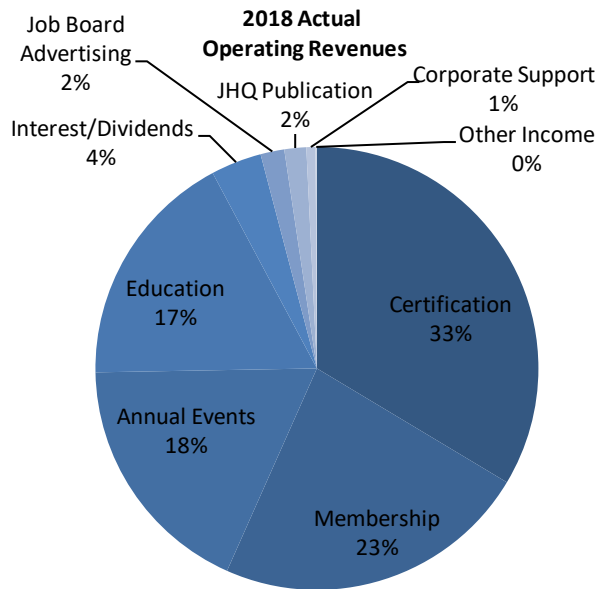

### *Essential Competencies*

To define the body of knowledge and competencies for the healthcare quality profession.

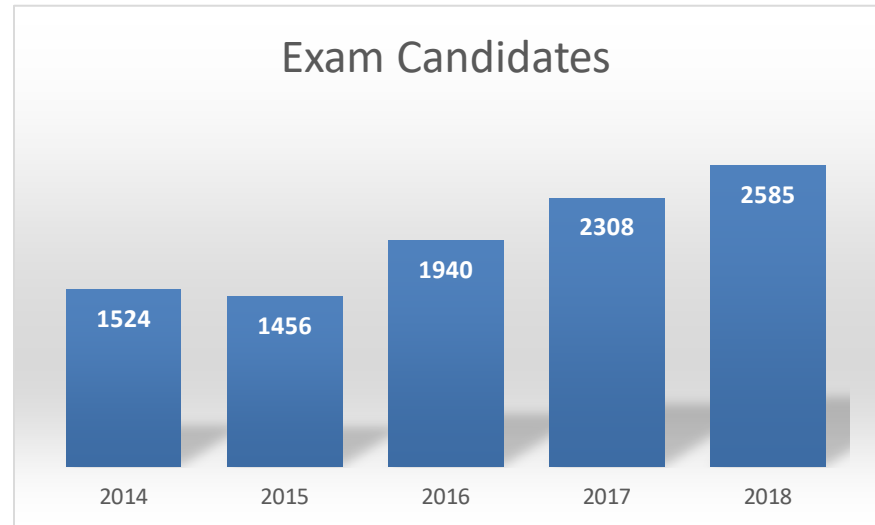

### *Recognition of the profession*

Individuals working in healthcare quality identify themselves as a member of the profession and employers recognize the profession.
